

# Durham Woodworking Club Long Range Planning 2018 - 2021

Prepared: DWC Executive committee

Presented: Rob Peros – President

May 14, 2018

# Long Range Planning 2018/2021

## Objectives

- Define long term club goals.
- Develop sub committees to identify GAP's within the current infrastructure.
- Develop key metrics to monitor and execute goals over the next three to five years.
- Develop all inclusive club constitution and set of bylaws.

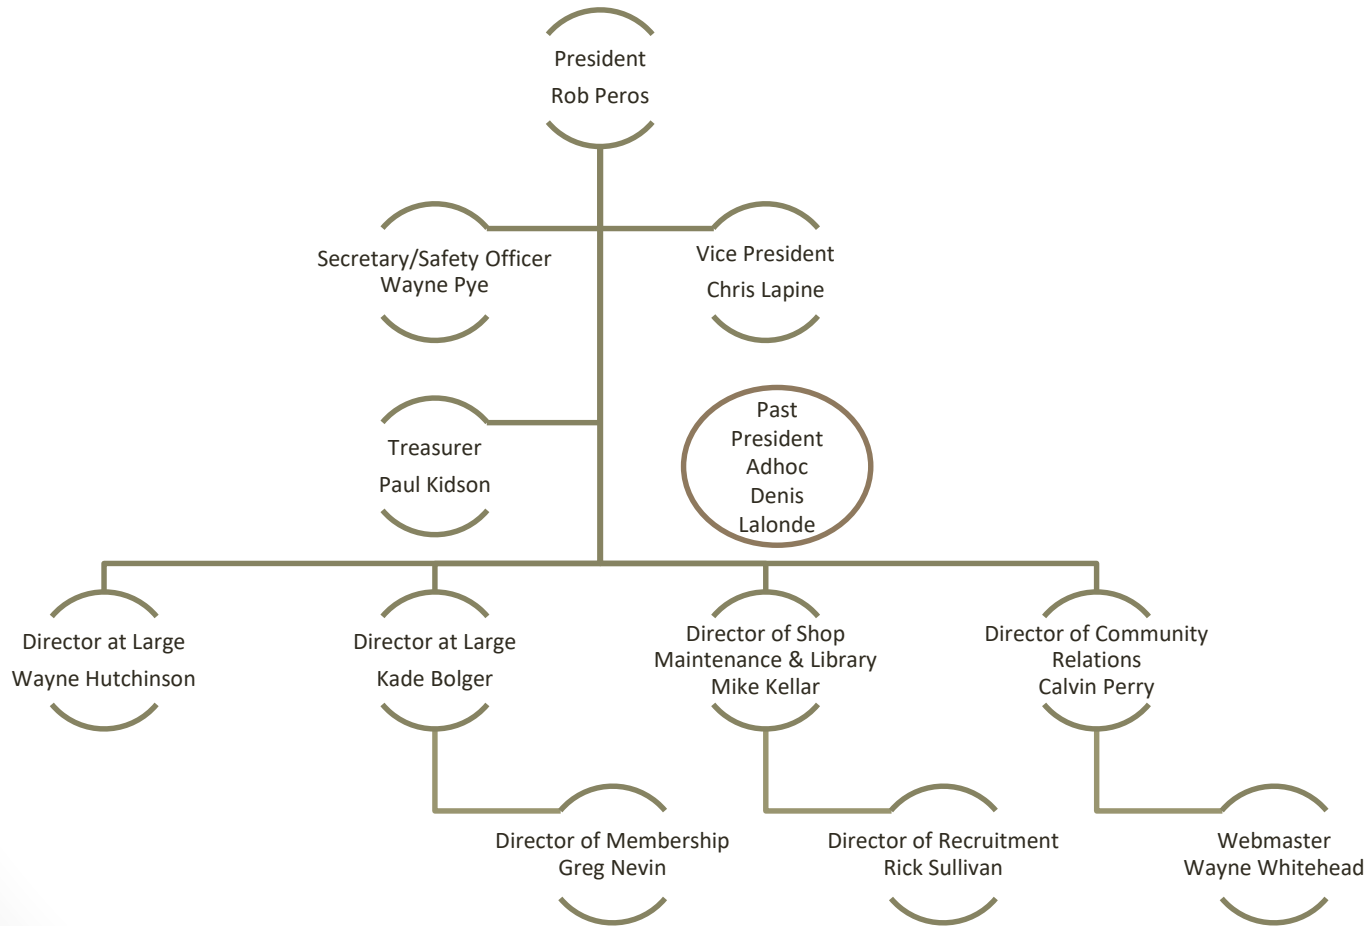

# Long Range Planning 2018/2021

## Long Term Goals

- Continuation of Durham Woodworking Club.
- Identify and develop a strategic plan to update current shop equipment, three year time frame.
- Develop a comprehensive safety mechanism (plan) to evaluate, monitor and train all club members.
- Build a financial plan to execute all long term objectives and goals.
- Develop a robust and interactive web presence.
