

Durham Woodworking Club

www.durhamwoodworkingclub.com

Our mission at The Durham Woodworking Club is to promote the skill and craft of woodworking in all facets, through education, information and fellowship.

Meet fellow woodworking enthusiasts in the Durham Region, experienced in a wide range of woodworking specialities.

The Durham Woodworking Club is located in the annex of the Simcoe Street United Church in Oshawa, Ontario.

The club meets every Monday night, September to June, start time is 6:30 pm sharp.

Guests are welcome to visit the club and tour our facility, as well as, to meet our members.

Meetings regularly include guest speakers, project show & tell, tips & jigs, safety pointers, tool instruction and much more, covering both woodworking and non-woodworking topics.

Our members specialize in a wide range of woodworking skills, such as:

- Turning
- Scroll sawing
- Cabinet making
- Chip carving

Members have access to a well-equipped and fully functional work shop. Tools include:

- Table saw
- Band saws
- Scroll saws
- Lathes
- Jointer & Planer
- An extensive library of woodworking books, DVD's & magazines
- As well as, an assortment of portable power tools

Members actively support local community functions, such as;

- Pens for Peacekeepers
- Wig stands for cancer patents
- Kub Kars for cubs and scouts
- Ladies classes

We also offer specialized group instructional seminars & classes,

- Turning a pen on a lathe
- Chip carving a keepsake box
- Turning 101 classes (lathe)
- Marquetry Class

Annual membership dues are \$60 per year (January to December), with a one-time \$10 initiation fee for new members.
