

Durham Woodworking Club (DWC)

Basement, Simcoe Street United Church
66 Simcoe St S., Oshawa, Ontario, L1H 4G3

Membership Application

Membership in the Durham Woodworking Club (DWC) is open all persons, from experts to novices (including people with no experience!), who have an interest in woodworking. Individuals of all genders, races, nationalities and religions are welcome to join.

The DWC is an Incorporated Not-for-Profit organization. The purpose of our organization is to provide useful, enjoyable woodworking services to the community. We do this by providing training and facilities for members to learn, share and engage in all matter of woodworking. In addition to personal projects, members are involved in various community out-reach services, including making pens for armed forces personnel, wig stands for cancer patients, wooden cars with Cubs and picture frames with Guides.

Membership requires payment of annual dues, an initiation fee, and valid signing of a Liability Release form.

The DWC requires all members, at all times, to act in a safe, responsible and respectful manner.
